SUMMARY

I'm successfully graduated from the Computer Programming Department at Ege University. Proactively completed an internship at the same institution. Eager to apply my skills in the software industry. I'm highly motivated, a quick learner, and detail-oriented and a strong team player with excellent communication skills. I'm committed to continuous learning and professional growth.

EXPERIENCE

Obiziz Digital Communication Ltd. Co. • Full Stack Web Developer (Sep. 2024 - Present)

I have worked on many MERN based projects here, some of them are:

- [Zafer Yayınları eCommerce](#): This is an ecommerce site for a test book seller.
- [ABC Portal](#): This is a remote registration and guidance system for a private school
- [MAN Service Check](#): This is a service control call system from the chassis number

Personal Projects

- [eCommerce Project](#): This is my completely self-developed MERN-based eCommerce system.
- [EHD Online Meet](#): This is the Online Meeting system I developed for Ege University.

-

RECOMMENDATIONS (Contact information will be provided upon request.)

Erhan Aksoy - *Software Unit Manager @ Ege University IT Department* **and**

Kurtulus Ertukel - *Senior Software Developer @ Ege University IT Department*

We are pleased to write this letter of recommendation for Harun, who has successfully completed his internship at our organization. His keen interest in his chosen field and exemplary work ethic have been truly impressive.

Harun consistently exceeded expectations in his assigned tasks, demonstrating a strong research aptitude and a proactive approach. His communication skills and interpersonal abilities make him an excellent team player.

Unlike many interns who view internships as obligatory requirements, Harun has shown exceptional enthusiasm and dedication. He has consistently surpassed project goals and demonstrated a genuine commitment to his work.

We are confident that Harun will make significant contributions to any project he undertakes. Please do not hesitate to contact us if you require further information.

Reference information will be provided upon request.
